

# Indian Music

Complete the following using the word list

There are \_\_\_\_\_ parts to Indian music. These are the \_\_\_\_\_, the melody and the \_\_\_\_\_. The drone is heard on the tam \_\_\_\_\_. A drone is when a note is played \_\_\_\_\_ the way through a piece of music. The melody is the main part of the music and is played on the sit \_\_\_\_\_. The melody is based on the notes of the raga. A raga is the \_\_\_\_\_ or the scale. The rhythm is called the \_\_\_\_\_. Tala is the basic rhythmic pattern or c\_\_\_\_\_, with many complicated rhythms. The rhythm (the tala) is played on the \_\_\_\_\_.

## WORD LIST

three	rhythm	sitar	tala
drone	all	melody	pattern

### Extra Task

1. In your own time find out about different Indian instruments. Write an explanation for each and draw a picture. If you can try to label all the different parts of the instruments. State whether the instrument is stringed or percussion.
2. Find out about Indian Folk, Classical and Pop musicians.
